Experience – IT & Projects

2025 – | **Outlier.ai**

AI Training / Prompt Engineering

Trained and evaluated LLM models (multiple providers) through advanced prompt engineering and response calibration. Deep practical understanding of how large language models reason – directly applicable to AI integration in software projects.

Portfolio with links to a selection of projects:

konstantinosnascos.github.io

Experience – Leadership & Operations

Over ten years in the service industry with progressively increasing responsibility. Skilled in resource planning, budgeting, team management and process development – experience that directly mirrors structured project work and teamwork in software development.

Oct 2024 – Aug 2025 **Soho**, Malmö

Bar Manager

Responsible for drinks menu, procurement planning and service flow.

2022 – 2024 **Limhamns Kött & Vilt**, Limhamn

Restaurant Manager

Full responsibility for staff (scheduling, recruitment, onboarding), budget, procurement and menu development. Accustomed to making decisions under time pressure and maintaining quality in a high-pace environment.

2018 – 2022 **Restaurang Siesta**, Malmö

Head Waiter

Staff management, service quality and menu development.

2011 – 2016 **Mosaikgruppen**, Malmö

Dishwasher → Waiter → Bartender → Restaurant Manager

Progressed through every level to restaurant manager, with responsibility for scheduling, ordering, staff training and overall operations across multiple restaurants.
